Research Prize of the Swiss Heart Foundation 2017

The Swiss Heart Foundation awards an annual prize of Swiss Francs 20 000 for one or several outstanding publications / accepted manuscripts of scientific research in the field of prevention, diagnosis and/or treatment of cardiovascular diseases.

Swiss researchers or research teams working in Switzerland or abroad as well as foreign researchers working in Switzerland are entitled to participate. The age limit is 45 years at the time of application. Previous prize winners are not eligible for the prize. In addition, scientific publications, which have already been awarded or elected for another prize, are not

eligible. The prize winner will be chosen by the Research Committee of the Swiss Heart Foundation.

For further informations and detailed rules see www.swissheart.ch/forschungspreis.

Applications should be submitted by 31st December (date of postmark) by post (one copy) as well as by e-mail with:

- one signed accompanying letter
- the publication(s) / accepted manuscript(s) to be considered
- list of references
- brief Curriculum Vitae (max. 1 page)
